

# FRIENDS OF THE HISTORIC OREGON WATER TOWER

**AS A  
COMMUNITY,  
WE CAN DO  
THIS.**

**PLEASE HELP  
US SAVE THE  
PUMP HOUSE**

*BRINGING  
OUR PAST  
INTO THE  
FUTURE*

## We Have Raised Our First \$10,000, Our Goal is \$40,000

There is reason to celebrate, we have raised our first \$10,000 for the Historic Pump House Restoration Project! Many Oregon residents have contributed to help us raise the first \$10,000 of our \$40,000 goal. We are grateful to all who have supported the project, but we have more funds to raise. The building needs tuck-pointing, new windows, new doors, new floors, new lighting, & new electrical updating. New

landscaping will be planted in June. The mission of the Friends of the Historic Oregon Water Tower is to raise \$40,000 to complete the restoration in 2014. We need everyone in Oregon to donate to this important historical project. All donations are tax deductible, and checks should be made payable to: Preserve the Water Tower Water Fund, and be sent to: Oregon Village Hall, 117 Spring Street, Oregon,

WI 53575. We also have a new website and video available at [www.oregonwatertower.com](http://www.oregonwatertower.com). Up-to-date information is located on our website. See upcoming events, our current fundraising total, a blog, a list of current contributors, current news articles, membership forms, the landscape plan, and more. For more information call Randy Glysch at (608) 291-0648, or email at: [rgbk316@charter.net](mailto:rgbk316@charter.net).
